COLLEGE PREP INSITUTE  
Of  
Redemption Academy  
2009-2010 Year

Do you want your child in the high school division to earn college credits at the same earning high school credits?

Call Dr. Yuen at (808) 592-2303 and leave a message. He will call you back as soon as possible.

Here is how the program works:

1. The high school student will make an application to Redemption Academy College Prep Institute to enroll in college courses taken at Indiana University via online delivery.
2. Once approved, the student will be allowed to take two courses per semester. More realistically, however, the student should take one course (usually three credits each course) per semester, two courses a year. If the student is able to, he or she is able to earn fifteen semester credits per year, including the summer session. A lot depends upon the student's ability to complete each course or acceptance into the IU program.
3. Once a week, the teacher at Redemption Academy College Prep Institute will meet with the student after school for three hours at a scheduled time. Due to the scheduling restraints, the appointment must be kept and if cannot, the supervision fee is non-refundable while enrolled.
4. It will cost \$250.00 a month for three years of supervision per week (which comes to about \$21.00 per hour for a group context. Payments must be contracted on a yearly basis.
5. Student will enter into a contract to complete the course work on a timely manner and in conjunction to any agreements made with Indiana University. Please note that Redemption Academy is not in a contractual relationship with Indiana University. Our CPI program is to assist capable students to earn college credits which will also be transferred equivalently to high school credits to Redemption Academy if enrolled at RA. Students not enrolled at Redemption Academy is able to also take the afterschool program.
6. The usual course tuition for each course is \$197.06 per credit. Courses are usually three credits with some exceptions.
7. Please contact Dr. Adrian Yuen at [info@redemptionacademy.org](mailto:info@redemptionacademy.org) or call (808) 592-2303 to request a Indiana University Dual Credits Catalog.
